

Yesterday's Faith vs. Today's Faith

What is happening in today's world may in some ways may seem new to us in the 21st. century because we have never faced such foolishness. However, in all reality, there is nothing new under the sun that has not occurred in history. Remember what Solomon said in:

Ecclesiastes 1:9-11 (KJV)

The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun. Is there anything whereof it may be said, See, this is new? it hath been already of old time, which was before us. There is no remembrance of former things; neither shall there be any remembrance of things that are to come with those that shall come after.

Chaos and rebellion have been happening since the beginning of time. They shall continue to happen even after we are all gone from this world, in other words what has happened in the past shall continue to happen whether it's today or tomorrow. We need to have faith in God and continue to pray that all will be handled and dealt with by our God. Remember how powerful our faith and our prayers are, they can change the outcome of the future. JUST HAVE FAITH...

2 Chronicles 7:14 (KJV)

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

Matthew 19:26 (NKJV)

But Jesus looked at them and said to them, "With men this is impossible, but with God all things are possible."
