## Remembering Kimberly Shields

Kimberly was a fantastic person to say the least; she always lit a room up when she walked in. I can remember when we would go out and eat at a restaurant, she was always kidding around and making everyone laugh, although she may have felt sick, she kept it to herself and would not complain. She was truly a genuine person who loved life and people. Kimberly will be sorely missed, but I see it this way, she will never again know pain, because she will be eternally in the arms of our Lord and Savior Jesus Christ. The sad part of losing Kimberly is that we will all miss her in our hearts because whenever anyone was feeling down or hurting in any way, she was always there to cheer them up. One day when I was in dire pain due to my back or kidneys hurting, she gave Debbie some of her medicine in order to bring me relief from that horrible pain. That is the kind of person Kimberly was, I was blessed to have had the honor of meeting such an angel from God.

Rest In Peace Dear Kimberly...

Adrian...
