## A HOUSE DIVIDED CANNOT STAND. . .

When accused of being a devil for removing devils from people, Jesus Christ said that "A house divided against itself cannot stand". In other words, when a house stands united, nothing can bring it down, however, if a house stands divided against itself it will fall. This is what is happening to our country at this time, what is being stolen is not necessarily our election, but our way of life, we as Americans are brought up as free people and mostly Christian. But when a small group of Anti-American, Anti-Christian foolish minded people try to steal our way of life, that's when we as Americans should come together and stand UNITED in TRUTH. I want to say this, when the twin towers were brought down by a certain religious people, the USA came together in Prayer to Jesus Christ, and we as a nation rose out of the ashes. Let us once again come together UNITED as proud Christian Americans and stand against tyranny. Let us stand together for our God given rights and freedoms that so many of our men and women have fought for. The main reason they fought was to preserve our way of life. God gave us this beautiful Country, let us not lose it to those who wish to change and transform it to suite their own ideologies and godless visions.

## 2 Chronicles 7:14 (NKJV)

if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

Adrian...
