The map of life

A few years back, when we would take a trip we have never been on, a road map was required in order to reach our destination. We also had a pilot and a copilot to help get us to our intended goal. Of course some people in the era we live in today wouldn't know how to read a map if their lives depended on it. Also in todays society we use things like satellite gps with phones and so forth. Now as convenient as those may be, it still depends on an invisible signal in order for it to function. My point is this, if we want to get to a certain destination that we have never before been too, it is imperative we have those items to help guide us. Traveling without such items as a map or gps is ridiculous because we would never reach our destination, we would be lost and helpless. Well, it's the same with our Bibles. The Word of God is our spiritual map or gps that helps guarantee our arrival to our true destination of heaven. The Bible instructs us in how to achieve our spiritual goals while in this world. Humanities goal is to get to heaven and be with God for all eternity, but if we don't follow the directions that God has given us by way of His Word or our spiritual map, we are lost and doomed. Trust me when I say that God will be your personal guide in reaching His Holy Throne, you only have to follow His written directions.

Psalm 32:8-9 (NKJV)

I will instruct you and teach you in the way you should go; I will guide you with My eye. Do not be like the horse or like the mule, Which have no understanding, Which must be harnessed with bit and bridle, Else they will not come near you.
