## **Community Outreach:**

Reaching out to the lost is one of the most difficult jobs to do to say the least. Outreach or Evangelism takes a lot of patience, praying, listening, and fortitude to get it done. It works best when teams go out and it usually works best when one does the talking and teaching and the other simply prays while the visiting is going on. These experiences can be both exciting and exhilarating, and at the same time it could also be disheartening. But we take the good with bad anytime so long as a soul can be won for God’s glory. God has given us a mission in our lives to complete, and it is our privilege and honor to do this work for God. Remember what Isaiah said in:

### ***Isaiah 6:8-10 (NKJV)***

*Also I heard the voice of the Lord, saying: "Whom shall I send, And who will go for Us?" Then I said, "Here am I! Send me." And He said, "Go, and tell this people: 'Keep on hearing, but do not understand; Keep on seeing, but do not perceive.' "Make the heart of this people dull, And their ears heavy, And shut their eyes; Lest they see with their eyes, And hear with their ears, And understand with their heart, And return and be healed."*

This United States of ours is in utter chaos. People have forgotten all about God and this Country has surrendered to sin. It is our job to get out and find those that are lost and bring God’s Word back to their hearts. Keep in mind that this can only be done by fasting, prayer, and outreach.

### ***2 Chronicles 7:14 (NKJV)***

*if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.*

Adrian...
