

Words of Wisdom:

When it comes to wisdom who in the world can top our precious God? You all know that statement is very true, because in all reality, God is the Author of all that is. So it goes without saying that if God is the architect of His creation, then who is wiser than God? Well apparently people in today's society have out grown God's Wisdom and have convinced themselves that they know more than the God who created them. Of course I'm all about freedom and letting people believe what they want, however, when it comes to the future of my children I pay particular attention to what they are learning, because if what they are learning is contrary to God's Holy Word then I put a stop to it. Do you all realize that the United States is the trouble it's in because we have allowed atheist and humanist to indoctrinate our children with their spiritual and mental garbage and all the while we are paying and getting ourselves deeper in debt, and in the end we convince ourselves that they have been educated. Ladies and gentlemen please keep your eyes on what is happen, don't let the foolish people of this world convince you that evil is good and that good is evil. We know the difference so let us live by the Truth of God's Word, and not the Evil of Satan and his followers.

Matthew 12:34-37 (NKJV)

Brood of vipers! How can you, being evil, speak good things? For out of the abundance of the heart the mouth speaks. A good man out of the good treasure of his heart brings forth good things, and an evil man out of the evil treasure brings forth evil things. But I say to you that for every idle word men may speak, they will give account of it in the day of judgment. For by your words you will be justified, and by your words you will be condemned."
