Ways to Deny God and Salvation

To deny Christ is the epitome of foolishness. Jesus Christ left the Glory of Heaven in order to give humanity an opportunity to be with Him for all eternity. Even with that people in this world still deny Him. The reason why people deny Christ varies, some profess that there is no God, even with all the proof available to them they still deny, other's are just too busy with distractions this world has to offer them, and it keeps them away from the Truth, and still other's pretend to do God's will yet in their inner heart they have their own agenda's to fulfill. The latter is the most destructive because those people have made their mind up and have convinced themselves that they are doing the will of God, when in all reality it's their own destructive will that they do. My advice is this, search the scriptures of God and ask for His Holy Wisdom in all matters, and keep the following passage in mind because hating one's brother as a Christian is another form of denying God.

1 John 4:20-21 (NKJV)

If someone says, "I love God," and hates his brother, he is a liar; for he who does not love his brother whom he has seen, how can he love God whom he has not seen? And this commandment we have from Him: that he who loves God must love his brother also.
