Where did my America Go?

I was born in the 1960's and I was raised and taught to respect my elders. Now this was taught to me by my parents and my school teachers back in those days when corporal punishment and God's Word was allowed in schools. If ever I found myself in trouble with one of my teachers in school, my mother would go to the school and be on the teacher's side, because she had trust in those teachers that attended church with her. I can still recall when we would stand and place our hands over our hearts and recite the pledge of allegiance followed by the principle leading us in prayer before the day would begin.

Things have changed tremendously since those days. Today our schools and government are in complete turmoil. Schools have turned their backs on God and His Word, the curriculum is pure non-sense, and most kids have absolutely zero respect for their elders. It is a pure and utter disaster what has become of our country. The only way to get our country back to where it was with God, is take hold of the current situation and commit to God with all heart soul and mind. Remember what Moses said in Deuteronomy?

Deuteronomy 6:4-9 (NKJV)

"Hear, O Israel: The LORD our God, the LORD is one! You shall love the LORD your God with all your heart, with all your soul, and with all your strength. "And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates.

2 Chronicles 7:14 (NKJV)

if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.
