Southwest church of Christ website

Have you looked at the website lately? I looked at it a few days ago and it is amazing. Adrian has done a fantastic job in talking about salvation and telling others about our congregation. The content is beautiful. The bulletin is posted every week. If you missed a Sunday, you can go to the website and see and hear Adrian's lesson. It's awesome. And you can check the event calendar to see what's coming up. Thank you, Adrian for creating a really great website. It is a big job to keep a website current and your time is appreciated. Check it out! www.churchofchristswsa.com Be sure to let Adrian know of anything that needs to be added.

SERMON NOTES: _____

Southwest Adult Members Retreat

Thank you to all who attended yesterday. It was a lot of fun and we learned a lot about listening to each other and speaking up during Bible Trivia. The story skits were so creative and tested us all in our knowledge of bible stories. Drew made a very tall tree and Kimberly was the perfect Zacchaeus. The singing was fantastic. We learned some new songs. Prayer requests brought us to a closer respect and understanding of each other. It was just an awesome day of building relationships and having fun.
