The Simple of life:

Often times people think that life is far too complicated and that others just don't understand what they may be going through.

However, that is not necessarily true, life is complicated for all people and those complications are all different, and in all reality, some complications we may not understand until we personally face them ourselves. There are times that we face situations and often pray to God to get us out of those situations, but just like Shadrach, Meshach, and Abed-Nego faced the fiery furnace, God did not get them out of

the oven, rather, He was in there with them. In other words, God never abandoned His people, God was there protecting them.

Daniel 3:19-25 (NKJV)

Then Nebuchadnezzar was full of fury, and the expression on his face changed toward Shadrach, Meshach, and Abed-Nego. He spoke and commanded that they heat the furnace seven times more than it was usually heated. And he commanded certain mighty men of valor who were in his army to bind Shadrach, Meshach, and Abed-Nego, and cast them into the burning fiery furnace. Then these men were bound in their coats, their trousers, their turbans, and their other garments, and were cast into the midst of the burning fiery furnace. Therefore, because the king's command was urgent, and the furnace exceedingly hot, the flame of the fire killed those men who took up Shadrach, Meshach, and Abed-Nego. And these three men, Shadrach, Meshach, and Abed-Nego, fell down bound into the midst of the burning fiery furnace. Then King Nebuchadnezzar was astonished; and he rose in haste and spoke, saying to his counselors, "Did we not cast three men bound into the midst of the fire?" They answered and said to the king, "True, O king." "Look!" he answered, "I see four men loose, walking in the midst of the fire; and they are not hurt, and the form of the fourth is like the Son of God."

Keep in mind, that no matter how dire the situation may seem, God is always with us in all avenues of life.
