

## **The Anaconda Squeeze:**

Late Fee. Past Due. Final Notice. Legal Action. No one likes to hear these phrases, but most of us do at some point. Whether it be from credit cards, failed business ventures, student loans, or falling behind on every day bills, it is easy to get in over our heads with financial troubles. Often our temporary fixes can lead to bigger problems and many sleepless nights. So what is the solution? Paul says it best in Philippians 4:12-13 (NKJV):

*"I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do all this through Him who gives me strength."*

Some days we are so focused on trying to figure out our own problems that we leave God completely out of the equation. When we exclude God from our lives, things only get more complicated. Remember that we stand tallest when we are on our knees in prayer. God has the answers.

This world was created by God, and there is no problem too great for Him to conquer. If we don't trust Him to take care of us, we limit the effectiveness He has in our lives. Let us put our faith in Him, placing our troubles in His hands. As Christ said to His disciples in: Matthew 11:28-30 (NKJV)

*"Come to Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn from Me, for I am gentle and lowly in heart, and you will find rest for your souls. For My yoke is easy and My burden is light."*
