

## The Power of Prayer:

Many underestimate the power of prayer. Prayer to me is a direct communication to God, sort of like a cell phone or wireless device except with no wireless device. This communication is solely between you and God alone, no one or no thing to interrupt this time of communication. The reason for bringing up prayer this week, is because we have some people on our prayer list that really need some serious prayer from us. We have some very sick people on our prayer list, and some that are about to have major surgeries, others battling cancer, and last but not least we have a very important election coming up in November. There are so many things we NEED to pray to God about and my hope and prayer is that we are taking time from our busy day in order to get this very important feat accomplished. Remember more than teaching, preaching, or evangelizing, Jesus Christ, the apostles, and disciples spent more time in prayer than those I just mentioned. So please pray for those in our bulletin and for each other CONSTANTLY.

### **1 Thessalonians 5:17-18 (NKJV)**

***pray without ceasing, in everything give thanks; for this is the will of God in Christ Jesus for you.***
