Let's get back to living

With everything that has been happening recently people are getting a little frustrated with life. But remember this, life is life and no matter the circumstances, life will go on, unless God dictates otherwise. With all the negativity that is going on in the media, we as Christians must find the beauty in everyday living and focus on that. What is so hilarious is that if we were to put multiple unpainted portraits somewhere in public, the colors would all be different. Some would display happy, joyful moods, while others would portray sad and gloomy colors. Everyone in this world see the exact same world we see, yet we are able to see the beauty, while others look for the horrible. Now if we pay attention to what God is telling us, we would have everything under control. Listen to God's advice on everyday worldly living.

Psalm 37:1-8 (NKJV)

<u>Do not fret</u> because of evildoers, Nor be envious of the workers of iniquity. For they shall soon be cut down like the grass, And wither as the green herb. Trust in the LORD, and do good; Dwell in the land, and feed on His faithfulness. Delight yourself also in the LORD, And He shall give you the desires of your heart. Commit your way to the LORD, Trust also in Him, And He shall bring it to pass. He shall bring forth your righteousness as the light, And your justice as the noonday. Rest in the LORD, and wait patiently for Him; <u>Do not fret</u> because of him who prospers in his way, Because of the man who brings wicked schemes to pass. Cease from anger, and forsake wrath; <u>Do not fret</u>--it only causes harm.

So there you have it directly from God, "DO NOT FRET". So find the beauty that God has provided for all, and be happy and content with life.
